2020 Fair Dates – September 26 – October 3

WE EXTEND TO YOU A WARM WELCOME TO ATTEND THE BLOOMSBURG FAIR

The Bloomsburg Fair Association Directors would like to extend an open invitation for you to see one of the greatest fairs in America. For 163 years people have been attending the Fair, and each year it continues to get bigger and better.

As you walk around our grounds, the sights, sounds, and aromas will astound you. You will be able to catch a quick glance of what yesterday was like, what today is unfolding, and what tomorrow will bring.

In our display buildings, you will see the beauty of our flowers and fauna. You will gaze upon the talents of youthful Americans, see what our older citizens do, and see lifestyles of rural America. You will see 4-H projects, grange exhibits, and industrial wonders pass before your eyes. In short, the American dream will unfold before your very eyes.

With your aid and assistance, we will be happy to show to the world all that is good in this great land of ours. We hope you will closely examine this catalog and help us do this job, because this is your Fair. Bring your canned goods, baked goods, arts and crafts, your pumpkins, berries, flowers and yourself, and show to everyone that the American dream has not faded or tarnished, but still basks in the autumn sun in the colorful hills of Pennsylvania.

There is an entry form enclosed for your benefit, and if you require more, just call 570-784-4949, or mail you request to:

**Deborah N Coleman, Secretary
Fair Office, P.O. Box 479
Bloomsburg, Pa 17815**

Entry forms are also available online at www.bloomsburgfair.com

Please send your entry forms to us as soon as possible so we can process them and send your tags to you. Please have the tags attached to your entries when they are delivered to their respective buildings for display purposes. This procedure will save you time and inconvenience when you arrive on the grounds with your exhibits.

We hope you will come and share with us an unforgettable 2019 Bloomsburg Fair.

Sincerely,
Deborah N Coleman

1. In selecting vegetables for exhibition, choose such specimens that would bring the highest market price. Do not select the largest; select medium size specimens. If at all possible, do not mix varieties.
2. The following factors are generally used by a judge:
 - a. Trueness to variety type. If at all possible, pick the specimens from one variety. Grown within last 12 months
 - b. Uniformity in shape, size, and color.
 - c. Be sure to pick out a perfect specimen, and then select the others as similar to it as possible. Never mix specimens of different maturity.
 - d. Protect from dirt, disease, infection, and mechanical damage. Select specimens that are perfect and show no blemishes of any kind.
 - e. Condition and maturity. Be sure that exhibits are of high quality.
3. Read premium material, carefully following all rules and regulations. If an entry calls for 5 specimens, be sure to exhibit that number; do not enter 4 or 6. In any instance, your exhibits will be disqualified if the correct number of specimens is not entered.
4. **All entries must have been grown by exhibitor. Fresh this year.**

**SECTION 22
DIABETIC FOODS**

The following excerpts are from “Diabetes Forecast,” the magazine for the American Diabetes Association.

Entries are limited to one entry per class by exhibitor

Nutrition is the key to good health, especially for people with diabetes. Diabetes is a disease in which the body is unable to use glucose (sugar) in the blood for energy. Instead, glucose stays in the blood and builds up to high levels. Over time, high blood glucose levels may hurt your eyes, kidneys, nerves, and heart. However, a healthy diet can help keep blood glucose levels at more normal levels. The truth is that there is no single “diabetes diet.” What you should eat depends on your health history and needs and, most of all, on the changes in your eating habits you are willing and able to make.

The parameters for exhibiting food at the Bloomsburg Fair for people with diabetes are:

- Be low in fat, especially saturated fat. The recipe should contain very little butter and / or shortening. Acceptable fats include lite butter, olive oil, canola oil, low calorie margarine, and vegetable oil.
- Should contain some fiber. Recipes using oats or whole grain flours are better than recipes using just white flour. Using fruit as part of the recipe is encouraged.
- Moderate amounts of calories. Desserts should be lower in calories than traditional desserts. A calorie range of 100-200 calories per serving is best.
- Moderate amounts of carbohydrates should be used. Recipes can include sugar, but the smaller amount, the better. Artificial sweeteners can be used too. Recipes using sugar free products such as sugar free puddings can be used.

All entries must have recipe recorded on 4" x 6" index card or 8 ½" by 11" paper will become property of the Bloomsburg Fair Association

Foods in the Diabetic section will be judged according to their diabetic standards, taste, and over all appearance.

SECTION 30 Class 100 BLUE RIBBON APPLE PIE CONTEST

PRIZES: \$25; \$20; \$15

(INSERT LOGO) AS AMERICAN AS APPLE PIE

Each county/local fair is encouraged to conduct a 29th Annual Blue Ribbon Apple Pie Contest at their 2019 event. Listed below are the criteria which we would like each fair to use in their contest. The certified first place winner from each fair will then have the opportunity to enter an apple pie in the BLUE RIBBON APPLE PIE CONTEST at the 2020 PENNSYLVANIA FARM SHOW.

RULES for local Fair and the PA Farm Show contests are as follows:

1. Open to any individual who is a Pennsylvania resident: only one entry per person.
2. Entrants may **NOT** have won 1st place in this Blue Ribbon Apple Pie contest at any other fair in 2019.
3. Entry to be a pie that must include at least 60% apples in the filling. It does not need to be a “traditional” two crusted apple pie and it can have a variety of fillings.
4. The entire pie must be submitted for judging in a disposable pie pan. No glass pie dishes/pans.
5. The recipe for the pie and pie crust must be submitted with the entry. It should be submitted on one side of 8 1/2 “ by 11” paper. The recipe must list all the ingredients, quantities, and the preparation instructions. Entrant’s name, address and phone number must be printed on the back side of all the pages.(All recipes and pies will become the property of the Fair or PA Farm Show and will **not** be returned
6. Refrigeration is not available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned, or otherwise distributed for consumption after judging for food safety reason.
7. Judging will be based on the following criteria:

Flavor	30 points
Filling: consistency, doneness, moistness & flavor	25 points
Crust: color, flavor, texture doneness	20 points

Overall Appearance	15 points
Creativity	<u>10 points</u>
TOTAL	100 Points

NOTES:

Creativity is essential to a varied competition. Do not limit your contest to a “traditional” two-crusted apple pie. We are looking for a variety of fillings in the pies: the pie must include at least 60% apples in the filling.

The recipe for the pie and pie crust will also need to be submitted when entering at the PA Farm Show.

Each fair must sign a Certification Form verifying the winning apple pie baker and this person will be eligible to enter the state competition at the 2020 Farm Show.

NOTE: If an individual has already won 1st place at another fair in 2019 for this Blue Ribbon Apple Pie contest, that individual is now considered qualified through that Fair to compete at the 2020 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.

Premiums for the 2020 PA FARM SHOW competition will be as followed:
